NIAID Organization

Office of the Director (/node/2998)

The **Office of the Director (OD)** [\(/node/2998\)](/node/2998) provides scientific leadership, policy guidance, and overall operational and administrative coordination for the Institute.

Extramural Divisions

Three research divisions at NIAID direct and manage grants, contracts, and cooperative agreements that support research at external academic and research institutions (known as extramural research):

1. **Division of AIDS (DAIDS)** [\(/node/2784\)](/node/2784)
2. **Division of Allergy, Immunology, and Transplantation (DAIT)** [\(/node/2833\)](/node/2833)
3. **Division of Microbiology and Infectious Diseases (DMID)** [\(/node/2796\)](/node/2796)

A fourth extramural division, the **Division of Extramural Activities (DEA)** [\(/node/2846\)](/node/2846), oversees policy and management activities related to funding grants and contracts, manages the NIAID research training program, and conducts initial peer review for grants and contracts that address an Institute-specific need or focus.

Intramural Divisions

Three NIAID research divisions conduct studies and clinical investigations within NIAID laboratories (known as intramural research):

1. **Division of Clinical Research (DCR)** [\(/node/2845\)](/node/2845)
2. **Division of Intramural Research (DIR)** [\(/node/2843\)](/node/2843)
3. **Vaccine Research Center (VRC)** [\(/node/2798\)](/node/2798)

Content last reviewed on June 21, 2021

- Printing of informative materials about infectious, immunologic, and allergic diseases for patients, health professionals, and the general public
- Funding of research grants
- Support of efforts to recruit scientific staff

How To Donate

Individuals and organizations can contribute to the NIAID gift fund by mailing a donation letter and a check or money order payable to the "National Institute of Allergy and Infectious Diseases" to the following address:

NIAID Gift Fund
Budget and Financial Management Branch
5601 Fishers Lane, Room 5E48
Rockville, MD 20892-9809

What To Include in the Donation Letter

Your letter should indicate that the donation is to be used to support the NIAID mission. Also include the following information to receive an acknowledgment letter from NIAID:

- Name (contact person)
- Company name (if applicable)
- Street address
- City, state, and zip code
- Phone number (optional)

Research Designation (optional)

All donations are applied by the NIAID director toward activities to support research on infectious and immunologic diseases. However, you may specify whether the donation is to be used for a specific type of research that falls within the NIAID mission.

Memorial Donations (optional)

Please include the name of your loved one in the letter, as well as the names and addresses of the people whom you would like NIAID to acknowledge for the memorial donation.

Honorary Donations (optional)

Please write the name of the person your donation is in honor of in your letter, as well as the names and addresses of the people whom you would like NIAID to acknowledge for the honorary donation.

Additional Information

If you have questions, please write to the Budget and Financial Management Branch at the address above or call 301-496-4701. You also may send any questions to NIAIDGiftFund@niaid.nih.gov or <mailto:NIAIDGiftFund@niaid.nih.gov>.

Program Evaluation at NIAID

[Program evaluation \(/node/10297\)](#) provides information about NIAID program processes and outcomes and enables the optimization of program performance.
