

NS 208 MEETING GUIDELINES

- Be aware of our timing requirements!
PVP builds start 12/12/94
Production parts to SL 1/9/95
Production build begins 1/17/95
- This is a team effort. Do your part.
- Work on your team's issues. Don't design for the other group.
- Perform component testing rapidly. Don't wait in line.
- Present data. No opinions.
- Bring handouts for everyone (12 copies).
- Bring one transparency and talk from it.
- Use common courtesy and respect.
- As we agree to pursue changes, get timing. Quickly.
- Don't hide knowledge. Speak up.
