The Pharisees of the Vatican

When asked by His disciples why He had grave concerns about the Pharisees, Jesus said, *"Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch."*

No experience creates more emotional, social, political and cultural scars than the moment that betrayal is manifest and realized by the trusting.

Betrayal has implications that range from the individual to the whole of humanity; from the past through the present and well into our future.

Here the betrayal is of a scope and source that some least expect: the Vatican. It is said that this anguish reaches Heaven itself.

Personally I am convinced that the brethren that darkened the skies over Golgotha are the same source of the ongoing betrayal against the Mother of God.

By virtue of denying Her simple request of 1917, the

The Children of Fatima

Picture the following: It's 1917 in the grassy countryside of Portugal, a perfect place to herd sheep. In this location there are no telephones or televisions. Al Gore has not yet invented the internet. His Penn State colleague Michael Mann has not deleted the Middle Ages. New York Governor Martin Glynn has not yet written his 1919 propaganda about "six million" and the "holocaust."

The world media has not blatantly lied about who committed the massacre at Katyn. Google has not yet decided what singly constitutes an "Offensive Search." Wikipedia is not dictating what is "true" for "free." George W. Bush has not announced a "New World Order" to the United Nations. Instead, we are viewing the rustic life of a simple people; physically and socially disconnected from the world scene.

While the world was enjoying the "war to end all wars," three children are herding sheep in the middle of proverbial nowhere; an area typified by bare feet and muddy roads.

To truly grasp what occurred at Fatima, it is essential that we not project our current state of affairs or our instant access realm onto this 1917 scene.

Nor should we project the current alleged "morality" onto children who came into the world through families of minimal means and simple knowing.

Avoiding projectionism will allow us to accurately fathom how three sub-teenage children announced details that spanned both earthly distance and earthly time; details that spanned 3000 miles away to the Union of Soviet Socialist Republics, and to the nightmares of a Pope in our time frame.

It is documented that these details came to Jacinta, Francisco and Lucia during repeated apparitional visitations by Our Lady, the Queen of Heaven, the Blessed Virgin Mary, the Mother of God. The visitations occurred at a small holm oak tree, on the thirteenth of each month, beginning in May and continuing until October 1917.

The sixth visit of October 13 included the "Miracle of the Sun," an event that was promised to the children, announced by them in-advance, but derided by the elders of Fatima. Ignoring official censorship and threats, the sleepy enclave of Cova da Iria became the scene of a pilgrimage of 70,000 people on that cold rainy October day.

Diabolical Disorientation

The phrase "diabolical disorientation" is not one you expect from the minds and lips of children. Although censored by the Vatican until the 1960s, this phrase was discussed by Mary as part of "The Third Part of the Secret."

But what is diabolical disorientation? And how is it relevant to betrayal against the Mother of God and denial of Her simple request? Father Nicholas Gruner states:

"Diabolical disorientation is when a person is disoriented by various tricks of the devil. These diabolical tricks are not simply a kind of possession portrayed on television and in the movies. The devil, the purveyor of diabolical disorientation, manages often to give the targeted person a perception quite different from reality and yet the person so diabolically disoriented is convinced what he thinks is the truth when it is actually a lie.

The devil disorients individuals by making them think that because of their wealth and successes, they are being blessed by God, when, at the same time, they are committing sin, cheating and lying, and are hurling themselves headlong into hell. Even worse than diabolical disorientation of an individual, is the disorientation of a whole society, which insults and ignores God and His Mother . . .

The diabolical disorientation we are talking about here is the disorientation of Catholics who think they are serving God, but embrace beliefs and practices which are gravely contrary to what the Church always taught and practiced. This disorientation has been produced in

Father Gruner was being very specific when he referred to "God and his Mother." That specificity properly orients us to the events of 1917 and the lives of three Portuguese children at Fatima: Jacinta Marto (age 7), Lucia dos Santos (age 10), and Francisco Marto (age 9):

Pragmatically, it is essential to recognize the earthly manifestation and everyday routine of diabolical disorientation, and how it led to a betrayal by the Vatican against the faith of its people. It is imperative that we expose the human origin of this routine.

We should also assess if forewarnings of consequences existed but have gone unheeded. We must know if the forewarning identified who would execute a plot to cause "the disorientation of Catholics who think they are serving God."

The Diabolical Disorientation of the Church

If we speak of moral decay, ethical breaches, unbridled crime, and open defiance and sin against Heaven; would it be unreasonable to assume that we are speaking about selected whackos that comprise global leadership? Those who share tents in the nude during the *Cremation of Care* at the Bohemian Grove?

Alternatively, based merely on what we can prove, would it be unreasonable to assume, but with deep forlorn, that we are also speaking of the Vatican? Enter Ms. Bella Dodd.

In the 1930's the Soviet Union had concluded that the only real threat to their plan for global governance, their 'New World Order,' was not the Church *per se*, but the faith of those who belong to the Church. Destruction of the Church was the route chosen by the Bolsheviks to destroy the essence of their opponent: The faith of people in God and his Mother. You must keep this satanic operational distinction foremost.

Dodd served as a high ranking official and as legal counsel to the Communist Party of the United States. She testified at the House Un-American Activities Committee in the 1950s:

"In the 1930's we (Communists) put eleven hundred men into the priesthood in order to destroy the Church from within . . . Right now they are in the highest places in the Church . . . you will not recognize the Catholic Church."

Later Ms. Dodd began lecturing on university campuses regarding the details of the Bolshevik disorientation of

Later Ms. Dodd began lecturing on university campuses regarding the details of the Bolshevik disorientation of the Church. A Christian monk recounts her lecture in the November 2000 *Christian Order* magazine:

The Infamous Bella Dodd

"I listened to that woman for four hours and she had my hair standing on end. Everything she said has been fulfilled to the letter. You would think she was the world's greatest prophet, but she was no prophet."

She was merely exposing the step-by-step battle plan of Communist subversion of the Catholic Church. She explained that of all the world's religions, the Catholic Church was the only one feared by the Communists, for it was its only effective opponent.

The whole idea was to destroy, not the institution of the Church, but rather the Faith of the people, and even use the institution of the Church, if possible, to destroy the Faith through the promotion of a pseudo-religion: something that resembled Catholicism but was not the real thing.

Once the Faith was destroyed, she explained that there would be a guilt complex introduced into the Church.... to label the 'Church of the past' as being oppressive, authoritarian, full of prejudices, arrogant in claiming to be the sole possessor of truth, and responsible for the divisions of religious bodies throughout the centuries.

This would be necessary in order to shame Church leaders into an 'openness to the world,' and to a more flexible attitude toward all religions and philosophies. The Communists would then exploit this openness in order to undermine the Church."

But the term 'diabolical disorientation' defined above by Father Gruner, a term that originated in 1917 Fatima, focused on a crucial issue: **Russia**.

From Russia with Love

To grasp our current situation in the so-called West, we must go east to the 1917 era of Russia. We must go back to the deeds of Jacob Schiff, Theodor Herzl and their many protégé.

A psycho named Leyba Davidovich Bronstein (aka Leon Trotsky) is quoted in *The Nature of Zionism* by Vladimir Stepin:

"We must turn Russia into a desert populated by white Negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of.

The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one.

We mean the word 'red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars quake and pale by comparison.

The biggest bankers across the ocean will work in the closest possible contact with us.

If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the

whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence!"

Evidence of the source of diabolical disorientation is also witnessed in the godless life of another psycho. Vladimir Ulyanov (aka Vladimir Lenin) was brethren-to and a full-collaborator with Bronstein. The genuine holocaust exacted by Lenin correlates to forewarning provided by the Virgin Mary to the children of Fatima; a forewarning about "Russia spreading her errors."

As we shall see, the [ponerology](#) of Lenin also connects to the truth about the nightmare of Pope Pius X (but not to Pharisaic diversions about "assassination attempts").

The Simple Request: A Consecration of Russia to the Immaculate Heart

The downfall of Christian Czarist Russia, its destruction-by and conversion-to an atheistic globalist, elitist, communist sewer was the focus of a simple request made by the Mother of God. This happened decades before the testimony of Bella Dodd. According to Lucia, Our Lady declared on July 13, 1917:

"You have seen Hell, where the souls of poor sinners go. To save them God wants to establish throughout the world the devotion to My Immaculate Heart. If people will do what I tell you, many souls will be saved, and there will be peace.

The war is going to end. But if they do not stop offending God, another and worse war will break out in the reign of Pius XI. When you see a night illumined by an unknown light, know that it is the great sign that God gives you, that He is going to punish the world for its crimes by means of war, hunger, persecution of the Church and of the Holy Father.

To forestall this, I shall come to ask for the Consecration of Russia to My Immaculate Heart and the Communion of Reparation on the First Saturdays. If they heed My requests, Russia will be converted, and there will be peace.

If not, she shall spread her errors throughout the world, promoting wars and persecutions of the Church; the good will be martyred, the Holy Father will have much to suffer, various nations will be annihilated; in the end, My Immaculate Heart shall triumph. The Holy Father will consecrate Russia to Me, which will be converted, and some time of peace will be given to the world."

Not only has the consecration of Russia to Our Lady's immaculate heart NOT occurred, per Her specific

Not only has the consecration of Russia to Our Lady's immaculate heart NOT occurred, per Her specific instruction, but the Church has fallen into a "torrent of lies" about their defiance. In the following video we also find a truthful discussion regarding the nightmares of Pope Pius X:

The Nightmare of a Pope Made-Manifest

The explanation of the Vatican refusal to discuss the whole truth of the Third Secret correlates to its defiance of the Holy Mother: Her request to openly, officially and specifically consecrate Russia to Her immaculate heart. Again, it is essential to recognize the earthly manifestation and expose the human origins of diabolical disorientation. Specifically, is there plain evidence that the Church has been infiltrated and corrupted by modern-day Pharisees?

Characteristically, there is overwhelming evidence that the Vatican has consecrated everything BUT Russia! A few examples:

1. Man-Made Global Warming: Or Anthropogenic Global Warming (AGW) per their misnomer. Despite overwhelming evidence that there is no connection whatsoever between the atmospheric fertilizer carbon dioxide and global climate, the Vatican openly declared that human activity is the cause of a coming climate holocaust. 2. The New World Order: Asserting the dogma of Marx, Bronstein and Lenin, the Vatican has [openly endorsed a one-world government](#); a Bolshevik-styled New World Order. The Project for a New American Century (PNAC), The Bilderberg Group, the Council on Foreign Relations, the Bohemian Grove and many others would be proud.

3. The "Big Bang" Theory: In the movie *The Usual Suspects*, the lead role of Verbal Kint (aka Keyser Söze) declares,

"The greatest trick the devil ever pulled was convincing the world he didn't exist."

In this instance we have the reverse! The spiritual weakness of the Vatican has allowed the controlled media to ostensibly declare that the Church agrees with the conclusion of the Big Bangers: Now God doesn't exist! (For review see the *Big Media and The Long March Through the Vatican* section of my earlier piece "[The New March to a New Cosmology](#).") The brethren of Albert Einstein, Carl Sagan, Phil Pleit and many others are rejoicing in the conversion of the Church to atheism.

4. The World Bank: This proclamation, that the world must grovel at the feet of a World Bank confirms, beyond any other evidence, that the Vatican is in deep crisis. Noting the quote above from the Bolshevik psycho Bronstein:

"The biggest bankers across the ocean will work in the closest possible contact with us."

Bronstein was correct. But the Vatican proclamation supporting [global financial terrorism](#); that is, the global scheme of the Moneychangers, goes far beyond merely capitulating to its avowed Bolshevik enemy. This goes straight to the Man of Sorrows, directly to the Son of Our Lady, to Jesus Christ Himself.

The modern day Pharisees who have "*destroy(ed) the Church from within,*" the Pharisees who have now overrun America and the West have exacted revenge against His cleansing at the Pharisaic Temple of the Moneychangers. The [Rothschilds](#), Benjamin Shalom Bernanke, Lloyd Blankfein, Timothy Geithner, Henry Paulsen, and assorted zombies of the Federal Reserve System are celebrating the reduction of the Vatican to the equivalent of "Area C."

Jesus Cleansing the Temple of the Pharisees

Jesus Cleansing the Temple of the Pharisees

During the time that Mary spoke to the children of Fatima, a Godless horde funded by moneychangers fulfilled the dreams of Trotsky to "*reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence!*" It is clear that the genuine holocaust that befell Russia is the template for what may overtake that Vatican itself. It was this true possibility that was depicted in the nightmare of Pope Pius X.

Personal Observation #1: Germany NOT the Issue

In my reading of de Marchi's "*The True Story of Fatima*" and much more, I am confronted with a blatant historical fact. Nations such as Portugal, Spain, Italy, and of course Russia are continually stressed by Our Lady. Even the "annihilation of entire nations" is discussed.

But never, by direct naming or otherwise, is Germany an issue for the Lady; let-alone an issue of foreboding. Apparently even the self-absorbed, overly confident General George Patton arrived at a similar confrontation:

General George Patton in Remorse

I have a personal but highly studied opinion regarding why Our Lady of Fatima never forewarns the world regarding Germany; and I can assure you this opinion is not based on "education." The reason becomes obvious to those who understand that Germany was anything but atheistic. A comparative review of the prevailing attitudes, can be found in the artwork of ["The Two Austrians."](#)

Personal Observation #2: Was Our Lady Late?

Most people think they know what time it is. But similar to the officials of Fatima, that thought is superficial.

The day and time in-question is what Bishop Sheen referred to as "the birthday of the modern world." October 13, 1917 comprised the sixth apparition, and the Miracle of the Sun. The children of Fatima had declared prior that Our Lady would arrive at "twelve noon." But when "twelve noon" appeared on the time pieces of the officials, Our Lady had not yet arrived. Immediately the officials pounced, accusing the children of fraud and hoax. Acts of violence were even attempted against the children.

But as history and eye witnesses prove, the Lady did in-fact arrive at Fatima on that fateful day. And despite the knuckle-dragging ignorance of Portuguese officialdom, She was right on time.

The study of astronomy, cosmology and astrology provide perspective of physical planetary orientation that is not stuck in a "time zone." The timepieces, in possession of the well-off on October 13, 1917, read approximately 12:33 PM when the children of Fatima announced Her arrival.

Consistent with the previous five visits, Our Lady was only visible to the children. So, was She late? Not a chance. As She had previously promised, Our Lady arrived at exactly twelve-noon. But it was not "twelve noon" based on a pragmatic and arbitrary stake-in-the-ground in Greenwich, England. She arrived at twelve-noon [solar time](#).

Personal Observation #3: Diabolical Disorientation and 9/11

In 1917, Islam had not yet invented paper passports that are virtually indestructible. But that lunacy has been

The following is sworn testimonial dribble that was accepted as truth by the commissioners at the 9/11 Commission hearing of Monday, January 26, 2004:

Philip Zelikow: "Members of the Commission, working with you we (Zelikow's staff) have developed initial findings on how the individuals who carried out the 9/11 attacks entered the US . . . terrorists of certain nationalities must obtain a document permitting them to visit, a visa. Finally, the terrorist must actually enter the country and keep from getting detained or deported by immigration or other law enforcement officials. Susan Ginsburg, senior counsel to the Commission will begin by examining how the hijackers navigated these stages."

Susan Ginsburg: "Beginning with passports. Four of the hijacker's passports have survived in whole or in part. Two were recovered from the crash site of United Airlines flight 93 in Pennsylvania. These are the passports of Ziad Jarrah and Saeed al Ghamdi. **One belonged to a hijacker on American Airlines flight 11. This is the passport of Satam al Suqami.** A passerby picked it up and gave it to a NYPD detective shortly before the World Trade Center towers collapsed . . ."

Further Reading/Review

For a comprehensive read on Our Lady of Fatima I recommend, "[The True Story of Fatima](#)" by Father John de Marchi. I am enamored with Chapters IX and X which discuss The Miracle of the Sun, especially the media coverage. I also recommend complete viewing of the 1954 television program by Bishop Fulton Sheen: [Part 1](#), [Part 2](#), and [Part 3](#).

Personal Conclusion

On his 1954 television program, "Our Lady of Fatima," Bishop Sheen admonishes with forlorn:

"The Second World War need not have come. It was unnecessary. Wars are not just made by politics. Wars are crisis in judgments that come upon us because of the way we live!"

In reality, "the way we live," and the wars it has caused, has been dictated by the modern-day Moneychanger. Just about everything we were told about World War I were lies. Just about all of the details and gross facts about World War II were lies.

Even the revisionist promotion that Germany was godless and declared war on the world is [rubbish](#). Just about everything we were told about September 11, 2001, and the subsequent murdering of innocent human beings in Iraq and Afghanistan, were lies.

Currently [we cannot find any truth](#) supporting the war drums beaten by the modern-day Pharisees who promote the madness that millions of innocent people now need to be murdered in "Persia."

Even the revisionist promotion that Germany was godless and declared war on the world is *rubbish*. Just about everything we were told about September 11, 2001, and the subsequent murdering of innocent human beings in Iraq and Afghanistan, were lies.

Currently we cannot find any truth supporting the war drums beaten by the modern-day Pharisees who promote the madness that millions of innocent people now need to be murdered in "Persia."

But all of this is merely symptomatic to what was presented by the Lady of Peace to three sheep herding children in the hills of 1917 Fatima, Portugal.

We cannot overestimate the crisis at hand. We must not be misdirected from its true source. The brethren to those that darkened the skies over Golgotha, those that declared "Give us Barrabus!" are with us today.

Characteristic of Hell's gala, the modern-day Pharisees openly declare that they are the source of the diabolical disorientation afflicted upon the Vatican. This affliction has caused the Church to abandon and betray the faith of the people and, as a result, abdicate its influence with the Heavenly Father.

Our Lady of Fatima is the only one that can and will halt "*Russia spreading her errors.*" The true source of defiance against Her simple request, that Russia be openly consecrated to Her immaculate heart, are the Pharisees of the Vatican.
