Subject : ORDER DIRECTING IMPANELMENT OF A STATEWIDE COVID GRAND JURY,
CASE NUMBER SC22-1710 (THURSDAY, DECEMBER 22, 2022)

Reference 1 : Letter of 3 January 2023 to Governor Ron DeSantis and Ms. Susan K. Neely:
Page 2 of 2 *Witness List Rationale Review*

Reference 2 : Email from Dr. Michael Yeadon, Pharmaceutical Industry Veteran (30+ years),
and former Head of Research as Chief Science Officer for Pfizer, Inc.

Dear Governor DeSantis / Dear Ms. Neely :

I am re-forwarding to you the letter of [Reference 1](#); to include the shipper SPODs indicating your receipt, and for correction to a typographical error on Page 2 of 2.

On Page 2 of 2 of [Reference 1](#) I proposed four preliminary witnesses for the Subject; one of which is the esteemed Dr. Michael Yeadon:

MEMO : This is not my first mentioning of Dr. Yeadon in COVID-19 materials/correspondence; hardly. As just one example, [in my 12 April 2021 letter](#) addressed to “America’s Doctor,” Mr. Anthony Fauci, I spend twenty-six pages detailing the Nuremburg Tribunals, and the direct Fauci role in ensuring that ‘informed consent’ was avoided, especially by those ostensibly protected from liability under the PREP Act; I discuss Dr. Yeadon and his early foray into, what is now, a key element of the Subject: **Criminality**. From the Subject order (emphasis added, screenshot):

(a) Individuals, persons, and entities, including, but not limited to, pharmaceutical manufacturers (and their executive officers) and other medical associations or organizations involved in the design, development, clinical testing or investigation, manufacture, marketing, representation, advertising, promotion, labeling, distribution, formulation, packing, sale, purchase, donation, dispensing, prescribing, administration, or use of vaccines purported to prevent COVID-19 infection, symptoms, and transmission;

(b) other **criminal activity** or wrongdoing that the statewide grand jury uncovers during the course of the investigation if it determines that pursuing the **criminal** activity or wrongdoing is in the best interests of the investigation;

and

(2) is occurring, or has occurred, in two or more judicial circuits as part of a related transaction or is connected with an organized **criminal** conspiracy affecting two or more judicial circuits, as required by section 905.34, Florida Statutes.

Regarding [Reference 1](#) and the *Witness List Rationale Review*: (1) Mr. Edward Dowd, (2) Dr. David Martin (3) Ms. Catherine Watt and (4) Dr. Michael Yeadon . . . Mr. Dowd and his expertise are directly connectable and relevant to the efforts of co-addressee [Ms. Susan Neely at the ACLI](#).

The expertise of proposed witnesses (2), (3) and (4) are directly connectable to the verbiage of the Court’s order above. Indeed, a key element to attaining much-needed justice for the “COVID vaccine” injured and killed is the voiding of the LIABILITY IMMUNITY provisions so-strenuously promoted and enforced by entities ranging from Ivy League presidents, to Mr. Anthony Fauci, to Mr. Albert Bourla, to Mr. Joe Biden.

CONCLUSION

Please note that in the Dr. Yeadon email response to me of 12 January 2023, he laments the current fact that he cannot re-enter the United States (i.e. Florida), ostensibly because of the ongoing antics by the individual pictured here (among others):

Screenshot from CDC website of 13 January 2023:

What You Need to Know

- If you are a non-U.S. citizen who is a nonimmigrant (not a U.S. citizen, U.S. national, lawful permanent resident, or traveling to the United States on an immigrant visa), you will need to show proof of being fully vaccinated against COVID-19 before you travel by air to the United States from a foreign country.
- Some categories of noncitizen, nonimmigrants are excepted from this requirement. If you meet the criteria for one of these categories, you will need to fulfill additional requirements to travel by air to the United States.

This is especially egregious given the fact, as Ms. Rochelle Walensky **has always been fully-aware**, that **none** of the so-called “COVID vaccines” were even tested for transmissibility, let-alone establishing protection from such; and therefore her “*proof of being fully vaccinated*” mandate amounts to (at the level of her “science”) nothing more than accommodation of a pre-planned Pfizer criminal marketing scheme (among other motivations).

If I were convening a Grand Jury of Subject importance, I would demand that Dr. Yeadon be permitted to return to (Tampa) Florida without the already-documented and to-be-further-documented **threats posed to his health & well-being by the needles promoted by Ms. Walensky, Mr. Bourla, Mr. Fauci, etc.**

Respectfully yours,

Paul V. Sheridan

- Subject :** Voiding of mRNA Manufacturer ‘Liability Immunity’ Provision of PREP:
Due to Willful Misconduct, False Claims, and RICO Level Criminality;
by Those Manufacturers and Their Many Vested-interests
- Reference 1 :** Granting of Grand Jury Petition Filed by People of Florida
(Governor Ron DeSantis) by Florida Supreme Court – 22 December 2022
- Reference 2 :** Letters to Governors (Sample, 30 December 2022 Governor Bill Lee enclosed)
- Reference 3 :** My Letter of 13 December 2022 to Florida Governor Ron DeSantis and Key Staff

Dear Governor DeSantis :

I am forwarding to you, for information and potential utility to **Reference 1**, a complete hard-copy duplicate of the 18 April 2022 ten-tab letter previously shared with Ms. Susan Neely, CEO of the American Council of Life Insurers. Note that the SPOD indicates Ms. Neely receipt of 20 April 2022.

I am also forwarding **Reference 2**; a sample of many previously/currently being sent to fellow governors. Note that I highlight/praise ¶ B-1-a of the Court’s order. The most disheartening, and primary in terms of instant Subject justification, is the section in my letter to the governors which begins on Page 3 of 5 :

Blood Transfusion / mRNA Induced Death of Baby Alex

That section is preambled on Page 2 (screenshot):

Pre-planned Underbelly of COVID-19 Criminal Enterprise is *Liability Immunity*

I have asked *many* times :

Does anyone actually believe that Mr. Albert Bourla would have sold his mRNA needles into a market wherein he and Pfizer were *not* protected by liability immunity?!

Please note my summary remarks to that Baby Alex section; at-bottom, Page 4 of 5. You might wish to review my medical assertion regarding “blood clots” with Florida Surgeon General, Dr. Joseph Ladapo.

Dear Ms. Neely :

I am forwarding **References 1, 2, and 3**; the latter the enclosed five-tab binder. In absolute terms, Florida has the greatest population '65 and older.' This reality justifies alerting you to the COVID-19 developments and revelations that have occurred since my letter to you of 18 April 2022; especially Reference 1.

General Discussion – “How is that possible?!”

Since *prior to* my very first COVID letter to “fellow” Cornell University graduate, Mr. Anthony Fauci; of 21 July 2020, I have emphatically declared (screenshot):

“The so-called ‘COVID-19 vaccine’ is not in response to the SARS-CoV-2 virus; but the exact opposite!”

Tab 4 of **Reference 3** includes an Addendum, three pages attached. Please review the outrage expressed by European Parliament member of Romania, Mr. Cristian-Vasile Terheş. **Regarding ‘willful misconduct,’** please consider the mounting evidence that supports my three-year-old ‘exact opposite’ declaration.

CONCLUSION

With an emphasis on connecting the instant Subject and the portent of my 18 April 2022 letter to Ms. Neely, to the Reference 1 (Grand Jury Petition), I suggest that *preliminary* prosecutor’s witness testimony include:

Mr. Edward Dowd (typo corrected)

Dr. David Martin

Ms. Katherine Watt

Dr. Michael Yeadon

Please do not hesitate to contact me at any time.

Respectfully yours,

Paul V. Sheridan

Dr. Yeadon:

Thank you for responding.

Two introductory videos (when you have time, no hurry); both include mentioning of your former employer, and both mention Governor DeSantis:

Personal update (response to me from "Bourla"):

I will keep you apprised regarding the Florida Grand Jury...if needed...I am hoping that they (DeSantis/Ladapo/Moody) proceed directly.

Paul,

I'm aware of the seemingly encouraging developments in Florida.

My offer is good, I'm willing to give evidence & it is expert testimony, if they are interested.

I'm now in U.K. and unvaccinated people cannot re-enter, but Zoom has been a friend for years and will suffice again.

Best wishes and thanks

Mike

To my friends in England; need a favor.

I do not know how to contact the English scientist, former Pfizer VP Dr. Michael Yeadon.

On cover letter Page 2 of 2 (pdf 6 page of 19), I suggested to Governor Ron DeSantis four preliminary witnesses for his Grand Jury:

http://www.pvsheridan.com/sheridan2desantis_neely-1-3january2023_cvr-spods.pdf

(note that first two pages are shipper SPODs, confirming delivery.)

Elaborations:

Reference 1 is the Florida Supreme Court granting-of the DeSantis Grand Jury petition.

Reference 2 (pdf 13 of 19), I elaborate on the Court's paragraph B-(1)-(a)...the Court's "not limited to" extension will be very important for a broad range of upcoming litigation, especially one in Minnesota.

Reference 2 (pdf 15/16 of 19) covers a discussion on BABY ALEX. My conclusion at-bottom of pdf 16 of 19 is crucial (The term "blood clot" is THEIR term . . . these are not blood clots . . . it is for this reason that PF4 tests [in clog victims] are always negative, and blood thinners notoriously do NOT work.)

Reference 3 includes a link to the "HOW IS THAT POSSIBLE?" question from our Romania brother.

In the following video, Dr. Yeadon @9:25ish asks for one hour . . . I am suggesting a full day under oath in Tampa Florida where the DeSantis grand jury will convene:

<https://banned.video/watch?id=63bf1cb285dfe912ff68bde2>

We need to alert Dr. Yeadon about these state-side developments/suggestions...does anyone have contact info for him?
