Thank you for choosing FedEx

**Please forward to Laura Ingraham:**

I watch your program very frequently. I was very happy that you [interviewed Dr. Sucharit Bhakdi](#); thank you!

It could not have come at a better time. Attached is a duplicate of materials sent to Delta Airlines CEO Ed Bastian. As stated, I have spent perhaps hundreds of thousands of dollars patronizing Delta. Detroit (DTW) is a major hub for them . . . you might note my very last sentence. \*

Note that as a Delta Medallion member (Gold status prior to Wuhan/Fauci), I am in receipt of Delta's CEO emails. I will be blunt: Bastian's email of 17 Nov 2020 was, as I stated, **CRAP!**

As you review the enclosed binder you will note that I have been "at this" for quite some time. But in direct opposition to Fauci/Bastian, et al., **the First Family has already declared "No thanks" to [the Dershowitz enforcement of a needle](#)** (note page 3 of 7). Here is the most important portion of the cover letter to Bastian (page 7 of 7, screenshot):

**Conclusion – Part 2**

In the attached letter to President Trump I discuss the good news and demonstrated intelligence of our First Lady. You will note that I had written to her on [23 July 2020](#), warning her of the ongoing dangers of vaccines, and the implications for the First Family.

You might take notice . . . she has ostensibly decided, as had the president, [to avoid the vaccines](#) that you claim in your **crap** email are what *"the world eagerly awaits."*

So, Mr. Bastian, in lockstep with the portent of Conclusion – Part 2, **are you saying that YOUR family is "eagerly awaiting" to be stuck with a needle promoted by the three criminals on Page 1 above?!**

If you declare "No," then one must assume not mere complicity, but an active role on your part. `A person in your position, with its implicit ties to various private closed-door boardrooms, such as Big Pharma? †

In my opinion, the notion that you proposed about "science" while interviewing Dr. Bhakdi is deeply flawed . . . the fact is, that very issue is the crux of the censorship of the vested-interests . . . note my discussion on pages 4/5 of 7 on this censorship issue . . . the tip of the iceberg.

**[You must do a follow-up with Dr. Bhakdi.](#)** Please consider a similar topic venue with Robert F. Kennedy, Jr. (I hyperlink to his vaccine/children's health presentations of in Q-2 on Page 2).

**Personal Note:** During your interview of Dr. Bhakdi you mentioned Fauci's "75% to herd immunity" sputum . . . and that's what it is . . . sputum! The entire biosphere, of which humans are a small part, have been attaining so-called herd immunity for millions of years without the help of vested-interests such as Fauci and Dershowitz. **If you doubt that reality, ask President Trump and the First Lady!**
