Subject: Your "Contribution" to the Health & Well-being of Those Lacking Knowledge
Reference 1: Hosea 4:6
Reference 2: Mrs. Jummai Nache and Family

Dear Pastor Jeffress:

My purpose in forwarding this material to you is *not* a presumption that you will actually read it; hardly! Television stars like you are far too busy for that basic courtesy. But my concern is not over courtesy extended to the undersigned, but to fundamental courtesy in service to your congregations.

Before I review the enclosed binder, let us quote from Reference 1:

*"My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, **that thou shalt be no priest to me**; seeing thou hast forgotten the law of thy God, I will also forget thy children."*

Before I review the enclosed binder, **I want you to take a good long look** at the following progression, one that spans a few short months; one that your vanity and egotism and promotions, and your deep ignorance has contributed to, in an easily confirmed and connectable manner:

The Subject is approximated by the attached materials. Such is covered by my letter to New York Northern District Court Judge David N. Hurd. Had his Temporary Restraining Order (TRO) been issued in Bolshevik sewers, such as the State of Minnesota, **then the "mandatory vaccinations," that caused this horrific progression, would have been illegal and avoided all-together (Tab 5).**

In no uncertain terms, **your star role as a Fox News "contributor" is connectable to the terrible tragedy** that has overwhelmed the Christian Nache family of wife, husband and four daughters. Your "contribution" is no less connectable than that of your Big Pharma associate pictured next:

Under Tab 1 you will find my letter of 27 August 2021 to Cornell University, and your television star comrade pal, Mr. Anthony Fauci. **Beginning on Page 20 of 39** I reviewed the abject absurdities of a closed-door group formed by *another television star*, former New York Governor Andrew Cuomo.

Called the New York Forward Reopening Advisory Board (NYFRAB):

1. Does it surprise Pastor Jeffress to learn that his Fox News pals never reported on the existence of NYFRAB, despite that it met repeatedly a two-hour drive from their New York City news room?!
2. Does it surprise Pastor Jeffress to learn that the “mandatory vaccination” edict that was about to overwhelm New York health care workers, a Bolshevik-styled edict that eliminated application for religious exemptions, was born inside the NYFRAB?!
3. Does it surprise Pastor Jeffress to learn that the globally-syndicated RICO criminal pictured above, Mr. Peter Bourla, was a founding member of Cuomo’s NYFRAB?!

Tab 1 goes into greater detail than I intend to rehash here.

Your “contributions” to these affairs, and especially your promotional connections to the young nurse pictured on Page 1 above, are detailed under Tab 4; Pages 8 through 11.

On Page 10 of Tab 4 you will find:

The “COVID cases” that you and Pastor Bruce Wesley have promoted are based upon **what is known** to be a fraudulent deployment of the PCR protocol, developed by Nobel Prize winning scientist Dr. Kary Mullis.

Doubt that fraud claim? Perhaps you should research the CDC headline offered to Judge Hurd at Page 10 of the cover letter.

The detailed Timeline progression of Mrs. Jummai Nache is offered on Page 11 to the attached cover letter to Judge Hurd.

She, of course, had zero COVID symptoms prior to the mandatory Bourla needle, and only tested “positive” *after* both Bourla injections . . . **is any of this getting through? If not, than you should review Tab 3.**

Again, I suggest that you read that detailed Timeline.

CONCLUSION

Jesus said words very similar to:

“If you are hot, I shall know you. If you are cold, I shall *not* know you. If you are luke-warm, I shall spit you out of my mouth.”

In this context, you might note Tab 1, Page 2 of 39.

Cordially yours

Paul V. Sheridan
