Dear Attorney General Paxton:

Thank you very much for your press release of 30 November 2023. Please know that your efforts against, what many call, the COVID-19 Crime Syndicate are historically meritorious (despite Albert Bourla response claims otherwise).

There are three enclosures:

1. The letter/binder to Cornell University Board of Trustees Chairman which makes a formal DEMAND upon him / them:

DEMAND : Dr. Anthony Fauci – Revocation of all Cornell University Degrees

In your 30 November 2023 press release you discuss ‘cash cow.’ Please review Page 27 (which is preambled on Page 26), entitled:

**Special Question to Mr. Kraig Kayser and Mr. Donald Trump
Why did Pfizer Drop India? A Cornell MBA Perspective**

Mr. Trump has already received his copy. I discuss his prior/ongoing plight on Pages 20/21.

2. In my letter of 2 May 2023 I discussed the **secret** Pfizer / Republican Governors Association (RGA) meeting of 9 February 2023 . . . Governor Kim Reynolds, the chair of the RGA, has not responded to my *many* letters / calls requesting **basic** information about that meeting.
3. In my letter of 2 May 2023 I discussed **Mrs. Jummai Nache**. I am enclosing (with permission) her post-Pfizer modRNA injection photo history. A native of Nigeria, already formally applied for United States citizenship (unlike the Biden border criminals), she was coerced into the Pfizer modRNA contraption under a University of Minnesota employment mandate. As I said earlier, the Nache family would be available to testify in your litigation if appropriate.

A proper favor . . . please begin connecting the documented Pfizer behavioral issue of ‘willful misconduct’ to the voiding of LIABILITY IMMUNITY (under PREP). An example:

There is no doubt that Pfizer, with Dr. Anthony Fauci as their errand boy, were fully aware of the pre-planned release of a GoF based virus (to be blamed on Chinese bats), as the basis of their “cash cow.” In truth, according to their own documents released to the European Union, Pfizer began “COVID vaccine trials” . . . in early January 2020!

If you want to know precisely what they engineered you need only read my discussion on Page 11 of the enclosed binder (and my elaborations on Pages 12/13) Mr. Attorney General . . . that Fauci quote is on-video from October 5 2020 . . . *that’s twenty-twenty!* Please read the red font at the bottom of my Page 13 of 45.

Please feel free to contact me at any time,

Paul V. Sheridan
