Subject : Select Subcommittee on the Coronavirus Pandemic, Hearing of 8/9 January 2024 - Testimony of Dr. Anthony S. Fauci

Reference 1 : Letter of 27 November 2023 from Paul V. Sheridan, Courtesy Copy to Congressman Dr. Brad Wenstrup

Reference 2 : Letter of 30 November 2023 from Congressman Dr. Brad Wenstrup to Dr. Anthony S. Fauci (Pursuant to Instant Subject)

Reference 3 : Letter of 26 September 2023 from Congressman Dr. Brad Wenstrup to Ms. Christi A. Grimm (Inspector General, US Department of HHS)

Dear Congressman Dr. Wenstrup :

You are in-receipt of Reference 1 . I am attaching an excerpt; Pages 9 - 14. On Page 11 I quote Dr. Fauci from 6 October 2020 (screenshot) :

“Ya know, what used to keep me up at night, is what I am doing now!

Ya know it’s an interesting question Kate. I get asked years ago. Multiple times. ‘What is you’re worst nightmare?’ ‘What keeps you up at night?’ Well, I always say, that would be a brand new disease, that jumps species, from an animal to a human reservoir, that’s respiratory spread, that has two conflating characteristics. One, it’s spectacularly efficient in its spread from human to human. And two, it has the capability of a high degree of morbidity and mortality, either in the general population or among a subset of group. And sure enough, here we are, in 2020, and we have my perfect nightmare. Namely, a pandemic that’s already killed a million people worldwide, and is still raging throughout the world.

So, what keeps me up at night is acting out the things that kept me up at night, theoretically, is now keeping me up at night practically.”

For those uninitiated with Mr. Fauci, his October 2020 quote is an admission that his “perfect nightmare” was precisely what the COVID-19 Crime Syndicate had already bioengineered under a laundered contract to the Wuhan Institute of Virology in China. Called ‘Gain of Function’ research (GoF), there was nothing “theoretical” about it. This admission by Fauci, his direct connection to the “exact opposite” / GoF conspiracy, also leads to treason by the Central Intelligence Agency (Enclosure 3, Page 13 below).

One of the precursors to that October 2020 Fauci quote was his consultations with a secretive group chaired by Governor Andrew Cuomo; **The New York Forward ReOpening Advisory Board** :

**WE MUST MAKE REOPENING DECISIONS
BASED ON FACT. NO POLITICS. NO SPIN.
NO EMOTION. NO CONSPIRACIES. JUST
THE FACTS AND THE DATA AND THE SCIENCE.**
- GOVERNOR ANDREW M. CUOMO, 4/2/2020

Mr. Albert Bourla, CEO of Pfizer, was an original and very active member of the 'NY Forward' group. This represents a direct formative (pre EUA) connection **between Dr. Fauci and Pfizer**.

8/9 January 2024 Hearing Examination Requests

Please examine with Dr. Fauci the following:

1. His participations and statements at the Cornell University StayHomeComing 2020 event of October 2020, specifically his conference interview with NBC News Ms. Kate Snow.
2. His participations with The New York Forward ReOpening Advisory Board, especially his communications with Governor Andrew Cuomo (See Page 10 of 45 of attached).

The complete Cornell StayHomeComing 2020 event video (#1) is available here :

COVID-19 “Guidance” Enforced Upon the World by Dr. Anthony Fauci : His Exploitations of Cornell University *con’t*

One of the most damning documents, but representative of the criminality of the Cornell administrators, born in the bowels of the NY Forward Board (Page 8 above) . . . the grotesque Cornell Compact . . . **the very first sentence was a “vaccine” promoting lie; premised on the fear of “health risks,” and later the coercive phrase “return to normal.”** The Compact was early confirmation that a RICO-styled **exploitation** of my alma mater was pre-planned . . . a scheme which, as its first salvo, included the draining of the US Treasury in behalf of Pfizer : *(Next, the Compact, the bolding is NOT added)*

7/31/2020

Cornell Student Behavioral Compact

Until there is an effective vaccine for COVID-19, we live in a world of significantly enhanced community and personal health risks. The university cannot eliminate those risks, even with the best of planning. We can, however, work together to reduce those risks, and each member of our returning Cornell community must adopt a culture of shared responsibility for our safety and well-being. That will necessitate behaving, both on campus and off campus, in ways that at times will be difficult and may feel constrained, but are crucial both for Cornell and for the greater community in which we live. **The Cornell University Student Behavioral Compact 2020-2021** sets forth our behavioral expectations for Cornell students joining us in Ithaca for the 2020-2021 academic year in order to minimize transmission of COVID-19 and protect those most vulnerable to the virus. **This Compact applies to all undergraduate, graduate and professional students who reside in or return to the greater Ithaca area and/or the Cornell University campus community for the 2020-2021 academic year.**

Shortly thereafter, on October 6 2020, to embolden a key portion of their criminal scheme . . . their “vaccine” mandate . . . Ms. Martha Pollack coddled the globally-despised criminal, and embraced his fraudulent “guidance” . . . at the event she shamelessly labeled **StayHomeComing 2020** :

**COVID-19 “Guidance” Enforced Upon the World by Dr. Anthony Fauci :
His Exploitations of Cornell University *Conclusion***

As indicated *many* times, the lockdowns/mandates were a scheme; a pre-planned Pfizer marketing ploy, fully implemented by Ms. Pollack, and **“navigated”** by the Board of Trustees. A conspiratorial scheme steeped in criminal coercion, enforced upon trusting souls by the Cornell administrators; its central theme that the only path available for a **“return to normal”** was injection with poisonous modRNA Pfizer needles. A path enforced by criminal threats of many kinds, not the least of which were expulsions and dismissals. All to the delight of Mr. Albert Bourla, whose bonus check was derived by the draining of the US Treasury.

Immediately after the fraudulent FDA Emergency Use Authorization (EUA) on 11 December 2020, Fauci was hosted by Governor Cuomo. Emphasizing that a **‘return to normal’** was conditional with modRNA mandates; Fauci gleefully declared, **“You got it right!”**

**To have the world, they had to have the United States.
To have the United States, they had to have Cornell !**

(insert added)

Admission of the “Exact Opposite” by Dr. Anthony Fauci

At StayHomeComing 2020 (Page 9 above), Ms. Kate “Miscarriage Matters” Snow asked Fauci another staged vaccine-promoting question :

“What keeps you up at night?”

“Ya know, what used to keep me up at night, is what I am doing now!

Ya know it’s an interesting question Kate. I get asked years ago. Multiple times. ‘What is your worst nightmare?’ ‘What keeps you up at night?’ Well, I always say, that would be a brand new disease, that jumps species, from an animal to a human reservoir, that’s respiratory spread, that has two conflating characteristics. One, it’s spectacularly efficient in its spread from human to human. And two, it has the capability of a high degree of morbidity and mortality, either in the general population or among a subset of group. And sure enough, here we are, in 2020, and we have my perfect nightmare. Namely, a pandemic that’s already killed a million people worldwide, and is still raging throughout the world.

So, what keeps me up at night is acting out the things that kept me up at night, theoretically, is now keeping me up at night practically.”

For those uninitiated with Mr. Fauci, his October 2020 quote is an admission that his “perfect nightmare” was precisely what the COVID-19 Crime Syndicate had already bioengineered under a laundered contract to the Wuhan Institute of Virology in China. Called ‘Gain of Function’ research (GoF), there was nothing “theoretical” about it. This admission by Fauci, his direct connection to the “exact opposite” / GoF conspiracy, also leads to treason by the Central Intelligence Agency (Enclosure 3, Page 13 below).

Admission of the “Exact Opposite” by Dr. Anthony Fauci *con’t*

In my 21 July 2020 letter to Dr. Fauci, **which was received by Pollack** (and President Trump), I posed a simple **zero-wiggle-room** question, (screenshot) :

During the US GOF moratorium, the total amount of US taxpayer funds that were deployed to the Wuhan Laboratory of Virology in China is TBD. One media report stated:

“In 2014, the NIH approved a grant to EcoHealth Alliance designated for research into ‘Understanding the Risk of Bat Coronavirus Emergence.’ The project involved collaborating with researchers at the Wuhan Institute of Virology to study coronaviruses in bats and the risk of potential transfer to humans.”

QUESTION 1

Is the essence of these media reports true; that while employed by the US taxpayer you were directly (or indirectly) connectable to the funding of research or the funding of a research facility that is connectable to the SARS-CoV-2 virus and the resulting COVID-19 pandemic?

It is said that I was the first to put this question *directly* to Fauci. When I telephoned Dr. Fauci at his NIAID office (301-496-5717), I was rebuffed by staff. But less than a month later, the Wall Street Journal reported on 19 August 2020, **“NIH Presses U.S. Nonprofit for Information on Wuhan Virology Lab.”**

In several letters I have emphasized **why** the following propaganda was promoted during 2020: These subsequent headlines were spewed by the COVID-19 Crime Syndicate to suppress the “exact opposite” reality. This globally based cover-up was in preparation for vaccine enforcement promotionals . . . not the least of which was the farcical Cornell/Pollack StayHomecoming 2020 event :

Fauci, the “*face of America’s COVID-19 response*,” also helped to conceal the motivations of the Cornell Administration and the Board of Trustees. *Navigated* by your STUDENT BEHAVIORAL COMPACT (Page 9 above), **the motivation of fund-raising (with BigPharma) was just one justification for your modRNA mandate; the latter sold in the Compact as the sole route for a “return to normal.” A lie.** A blatant pre-planned lie, coordinated in-part by the NY Forward Board (Page 8 above).

Admission of the “Exact Opposite” by Dr. Anthony Fauci *con’t*

In my 9 June 2021 letter I confronted Fauci with his bold lie at the 17 April 2020 press conference. While standing next to the president, while standing before global humanity, as lead member of Trump’s White House Coronavirus Task Force; the record shows he once-again sullied the Cornell family.

Similar to his “*perfect nightmare*” at StayHomeComing 2020, when asked about SARS-CoV-2 origins, Fauci mumbled pseudo-esoteric goo about “sequencing.” With the body language of a common thug, he then stumbled into an unnamed study, by unnamed authors; who were experts on Chinese bats :

*“ Yeah. There was a study recently that we can make available to you, where a group of highly qualified evolutionary virologists looked at the sequences there and the sequences in bats as they evolve, and the mutations that it took to get to the point where it is **now** is totally consistent with a jump of a species from an animal to a human. So I mean, the paper will be available. I don’t have the authors right **now**, but we can make that available to you. ”*

But “now” we have the investigation by Congressman Dr. Brad Wenstrup. Enclosure 3 indicates that Fauci was central to the infamous Big Tech orchestrations of a lie that led to horrific injury and death on a global scale. A screenshot from Dr. Wenstrup’s letter :

According to information gathered by the Select Subcommittee, Dr. Anthony Fauci, then-director of National Institute of Allergy and Infectious Diseases, played a role in the Central Intelligence Agency’s review of the origins of COVID-19. The information provided suggests that Dr. Fauci was escorted into Central Intelligence Agency (CIA) Headquarters—without a record of entry—and participated in the analysis to “influence” the Agency’s review. Our goal is to ensure the scientific investigative process regarding the origins of COVID-19 was fair, impartial, and free of alternative influence.

The Select Subcommittee’s goal is to ensure accountability and transparency. The American people deserve the truth—to know the origins of the virus and whether there was a concerted effort by public health authorities to suppress the lab leak theory for political or national security purposes. Accordingly, information regarding specific movements of Dr. Fauci throughout the pandemic is reasonable and hardly intrusive, especially considering he is no longer employed by the federal government, he is no longer a protectee of the Inspector General, and we are not requesting any information regarding his current movements.

The Fauci “*perfect nightmare*” quote should be viewed with revulsion; in that October 2020 timeframe Fauci was presuming that the GoF issue was sufficiently suppressed. It was not, and never will be; as Enclosure 4 now confirms.

(See StayHomeComing 2020 discussion Page 9 above.)

Admission of the “Exact Opposite” by Dr. Anthony Fauci *Conclusion*

From Page 1 above, a reminder of the “exact opposite” :

“ The so-called COVID-19 vaccine is not in response to the SARS-CoV-2 virus; **but the exact opposite!** Attempts to patent mRNA contraptions, and market such as a ‘vaccine’ for SARS-CoV-1 had failed. SARS-CoV-2 was intentionally released to overcome (“blow up!”) traditional systemic approaches to vaccine formulation, development, and safety confirmation protocols. A conspiracy theory? Hardly. Defendants and associated witnesses have already boasted of this reality, in public! ”

In a widely publicized interview of 3 August 2021, esteemed Cornell University Professor of Chemistry, Dr. David Collum, also tried to warn the world, characterizing Fauci as follows :

“He’s a pathological liar!”

To the best of my knowledge, no other Cornell University graduate has ever had a headline that even *remotely* approaches the repulsiveness of the following :

In the context of the DEMAND, Cornell graduates are renown for the opposite : passionately embracing, exalting, and protecting life in-general; human life in-particular (See Page 7 above).
